Photography: Nick Stephenson

Melbourne Central is a large shopping centre located in Melbourne CBD on the corner of LaTrobe & Swanston Streets. The precinct covers two city blocks and its boundaries lie within Lonsdale, Swanston, LaTrobe and Elizabeth Streets. The centre is linked to Melbourne's Central train station.

During the Melbourne Central redevelopment, Mirotone wood coatings were used to create a stunning effect in the semi exterior entry with *MIROSTAIN* stains in vibrant red, orange, black and brown. Inside stains in black beige, grey and brown create a mosaic effect on the walls and ceilings. *MIROTHANE PU 5577* Sunshield clear, polyurethane topcoat with UV absorbers provides extra protection to the wall and ceiling panels.
